

Case No. 22-10964 (MG)

Re. Amended Exhibits for Mining Plan Objection

Dear Chief Judge Glenn,

I forgot to include a preface to my exhibits for my mining plan objection (and just submitted them without a case number and other necessary details), and so am resubmitting my exhibits with the appropriate case number and introduction. I wasn't sure if there was a deadline for submitting exhibits, but recalled that you usually ask for them to be submitted by 5pm the day before, and so followed that guideline.

This submission is now after 5pm, but I made a previous submission of my exhibits without an introduction including formalities before 5pm:

Pro Se Upload Tool for Self-Represented Individuals only

Your receipt number is **1703109439**

Your documents were submitted on Wednesday, December 20, 2023 at 04:57:19 PM. This is the date and time your document(s), once approved, is to be filed on the Court's electronic filing system.

There will be a delay in entering your documents(s) on the Court's electronic filing system, particularly when submitted after hours, on weekends, and holidays. If your filing involves a pending deadline, you must upload your document(s) at least 48 hours prior to the deadline to facilitate timely review.

If filing fees are due, you must contact the Clerk's Office at 212-284-4571 to arrange immediate payment. Click [here](#) for a list of fees due for filing documents.

I hope that this introduction will suffice and request that my previous submission time be taken into consideration, and ask that you please allow my exhibits to be used, as I worked very hard to compile them.

I apologize for forgetting the protocol for submissions, as I still haven't gotten used to participating in legal proceedings.

Thank you for your time and consideration.

Sincerely,

Cathy Lau
Pro Se Creditor

From "How Google, Facebook and others use our most personal secrets against us" DW Documentary

"I studied law in California. We were taught to view law through the lens of risk analysis -- not to ask is this legal or illegal, but rather, how likely is it that someone will sue you -- that you'll pay a fine, and how likely is it that you'll get away with it? So you think, "I'm aware this violates the law, but I potentially earned \$10 million. The fine is a 100,000 Euros, and the probability of actually paying the fine is 1 in a 10 So, financially speaking, it pays off to break the law. That's an approach that "New Silicon Valley" already has in its DNA."

Exhibit C: Undisclosed background of selected NewCo board member Emmanuel Aidoo hiding his employment with Celsius competitor FTX

-Presented as Executive Director at Perella Weinberg Partners

EMMANUEL AIDOO

Emmanuel Aidoo is a recognized leader in digital assets advisory, private capital, and restructuring banking. With a strong track record in navigating complex financial landscapes, he specializes in digital assets, blockchain technology, and innovative investment solutions. At Perella Weinberg Partners, Emmanuel leads the digital assets advisory division, driving growth and positioning the firm as a market leader in blockchain and cryptocurrencies. Previously at Credit Suisse AG for over two decades, he played key roles, including Head of Digital Assets Markets, where he advanced the firm's blockchain strategy. Emmanuel's achievements include pioneering proof-of-concepts, strategic investments in blockchain projects, and thought leadership in the global blockchain community. Aidoo has been recognized by Forbes on their Blockchain 50 list (2020), Business Insider's list of Top 10 Transforming Finance (2019) and American Banker (2018). He has served as a member of the World Economic Forum (WEF) Digital Asset Steering Committee and as the Chair of SIFMA's Blockchain Roundtable.

Emmanuel studied Computer Science at Brunel University in Uxbridge, England.

100. One of the candidates that the Committee interviewed, and ultimately selected to serve on the New Board, is Emmanuel Aidoo. UCC Ex. 230 ¶ 11.

101. At the time of his interview, Mr. Aidoo served as Executive Director at PWP, the investment banker to the Committee in these Chapter 11 Cases. Mr. Aidoo has been advising the Committee with respect to these cases. Prior to being nominated for consideration, Mr. Aidoo disclosed that he would be stepping down in short order from his Executive Director position at PWP to serve in a senior advisory capacity as an independent contractor. UCC Ex. 230 ¶ 11.

102. At the outset of his candidacy, and prior to his interview, Mr. Aidoo disclosed to the Committee's advisors certain tax arrearages, which included liens filed against him. UCC Ex. 230 ¶ 12. As part of the board selection process, Mr. Aidoo provided a letter from his accountant explaining this situation to the Committee and informing the Committee that Mr.

Aidoo had entered into an installment plan with the IRS and was current on all obligations under such installment plan. UCC Ex. 230 ¶ 12.

103. The Committee asked questions regarding Mr. Aidoo's tax liens as part of its discussions in connection with Mr. Aidoo's candidacy. UCC Ex. 230 ¶ 12. Having considered these facts, the Committee concluded that the tax lien did not preclude Mr. Aidoo from serving as a director of the New Board or outweigh the other strengths of his candidacy. UCC Ex. 230 ¶ 12. These strengths include his deep institutional knowledge of the cryptocurrency industry and financial expertise, and his great credibility and familiarity among executives within the industry. UCC Ex. 230 ¶ 17. Further, Mr. Aidoo's interview demonstrated to the Committee a mindset to fiercely advocate to protect the creditors of Celsius who will become NewCo shareholders. UCC Ex. 230 ¶ 17. The Committee therefore determined that Mr. Aidoo was qualified for his role on the New Board. UCC Ex. 230 ¶ 17.
